

# 84<sup>th</sup> ENTRY ANTHEM

## Chunkie's Charlies

1. Born in the NAAFI under P/O Scott  
In the first six months we learnt a lot  
Now we've been in for 2 years or more  
And soon we'll be knocking on (the) PO door.

Chorus      Chunkie's, Chunkie's Charlies,  
                 Kings of the No.1 Wing.

2. Adolf Skull is our Mascot  
And of him we think a lot.  
The sprogs all kiss and then bow low,  
For we're the best and they all know.

Chorus

3. Stringy Cord taught us all we know  
And when he left it was a blow  
But have no fear, he never let us down,  
For now he keeps a pub in Bristol town.

Chorus

4. Chunky took over from P/O Scott,  
We thought he'd make our life real hot,  
He's been a good chap as you can see,  
So we'll have 3 cheers for F.W.T.

Chorus

5. Our Squadron Leader is called Catley  
He rules us all 24 hours a day,  
His No.1 man is Chiefy Price  
Who details us with words of advice.

Chorus      Chunkie's, Chunkie's Charlies,  
                 Kings of the No.1 Wing.

6. Corporal Whydle's in charge of drill  
He knows it all, been through the mill.  
He owns a bike which goes squeak squeak,  
Now he's looking for another that goes weep weep.

Chorus

7. We spent a fortnight down at Lulworth Cove,  
And there our Spirit was clearly wove,  
Unto something warm and very strong,  
And now we can't do a blinking thing wrong!

Chorus

8. We are the boys of the 84<sup>th</sup>.  
The best set of chaps that ever set forth,  
And when we leave this school of fame  
The Squadron spirit will never be the same.

Chorus

(Composed by the 84<sup>th</sup> on their 2<sup>nd</sup> year birthday, 19<sup>th</sup> Sept. 1958)
